Program Descriptions

(programs and times are subject to change)

Birth to 6 years

- **Family Time** - This program offers an opportunity for parents, caregivers and their children to meet others and play interactively in an early learning environment. The program will include creative, sensory, stories, rhymes, music, language, math and physical activities.
- **Open Door** - This is an opportunity to explore the early learning play areas within the centre. The staff is available to answer questions, provide resources and make referrals for families.
- **Me & My Dad** – This program is an opportunity for dads, grandpas, uncles and other male caregivers to interact with their children and meet others in an early learning environment. The program will include: creative, sensory, stories, rhymes, music, language, math and physical activities.

Age Specific

- **Baby Playtime (Age birth to 12 months)** - This program will focus on babies and their early development. It will provide families and caregivers with learning opportunities on infant development through social and interactive play. Bonding and attachment is fostered through interaction with play based activities and interactive musical circle times.
- **Infant and Toddler Time (Age birth to 30 months)** - This program focuses on early development through social and interactive play. Children at this age explore and learn through all of their senses. The program will include creative, sensory, songs, rhymes, and motor activities.
- **Preschool Time (Age 30 months to 6 years)** - This program will build your child's learning through social and interactive play. Your child will have the opportunity to explore a variety of learning materials. This program will include language, math, discovery, physical and social experiences. Each program will include a parent discussion.

Pre-Registered Programs

Please tell staff the topic name you wish to attend when registering for Parent Chat on April 1st.

Parent Chat – Learning Styles - (Age birth to 6 years) - We each have a specific learning style that helps us to learn and remember information. Understanding your learning style and your child's learning style can be beneficial when you are engaged with your child and you want him to get the most out of this experience. Join us and discover what learning style suits you and your child the best.

Date: Thursday, April 4, 2019 / Time: 12:45-2:30 pm / Location: Our Lady of Good Voyage

To participate in this program, please call our office (905 566-4785) starting at 8:30 am on Monday, April 1st, 2019 and **speak directly with a staff member to confirm you are registered**, as voicemails cannot be retrieved during registration.

Parent Chat – Attention Spans - (Age birth to 6 years) - Just as it takes years to grow tall, it takes years to grow our attention span. Understanding how attention spans develop will help you plan realistic expectations and activities for your child.
