

December 8, 2022

Dear families,

We are pleased to share that as part of Canada-Wide Early Learning & Child Care agreement (CWELCC) and through the regulatory changes, agencies enrolled in CWELCC are required to further reduce their current base fee by an additional 37% (but no lower than \$12/day), starting December 31, 2022. This builds on the 25% reduction that came into effect as of April 1, 2022.

These changes will give full fee parents an overall reduction of 52.75% in fees as of January 2023.

Parents receiving fee subsidy will also experience a further reduction in their parental contribution amount and are not subject to the \$12 per day floor.
