Child and Family Centre

PROGRAM DESCRIPTIONS:

Programs for all ages (0 - 6 years):

Family Time: An opportunity for parents, caregivers and their children to meet others and play interactively in an early learning environment. The activities provided in this program include arts and crafts, music, sensory, pre-reading and mathematics.

Open Door: Have fun using the playroom and resources in our stimulating, interactive, early-learning environment.

Me & Dad: A special time for children to have with their father, uncle and grandpa. The program includes arts and crafts, music and movement, stories as well as discussions on child development that will foster a positive relationship between adult and child.

Age Specific Programs:

Babies in Playland - birth to 18 months only: This program focuses on early development through social and interactive play. The activities provided will include creative, sensory, songs and rhymes and motor development. Parents and caregivers will be provided with information on infant development and care.

Tot Stop - 18 to 30 months only: This program focuses on toddlers' development through play. Parents and caregivers will engage in activities with their child including arts and crafts, sensory as well as songs and rhymes.

Preschool Fun with Learning - 30 months to 5 years only: This program will allow parents, caregivers and children to learn while they play. Activities will include pre-reading, math concepts, games, puzzles, creative and sensory exercises.

Story Time & More/Fit & Fun - 18 months to 5 years only: This program focuses on a story each week, enhanced through dramatic and creative activities. Fit and fun focuses on basic physical activity skills. The program will include warm-ups, cool-downs, exercises from the Rainbow Fun program, musical movements and games.

***Pre-registered Programs* for March:**

Main Site - To register please call 416-496-2601

***Messy Babies - For parents, caregivers and children birth to 18 months of age:** This 6-week program focuses on exploring our five senses through a variety of multi-sensorial activities. Sensory experiences stimulate children and give them new information about the world. **Tuesday afternoons from 1:30 - 3:30 pm from March 19 to April 23, 2019.**

***Diabetes Prevention Mobile Clinic - For parents and caregivers:** This clinic will raise awareness on the development of diabetes in Canadian families. Families will be introduced to screening tools, evidence-based knowledge, skills and habits to help prevent or delay the onset of diabetes. **Friday March 22, 2019 from 9:30 - 11:30 am**

***Parent Chat: Language Development - For parents, caregivers and children birth to 6 years of age:** This parent chat will focus on discussing your child's communication skills with support from the Early Abilities communications checklist. **Friday April 5, 2019 from 9:00 - 11:00 am**

Parkway Forest Satellite - To register please call 416-546-4580

***Toddler Fit & Fun - For parents, caregivers and children 18 months to 30 months of age:** A six-week program focusing on the basic physical activity skills of toddlers. This program includes warm-ups, cool-downs, simple exercises, musical movements, games and a take home craft. **Tuesday mornings from 9:00 - 11:00 am from March 5 to April 9, 2019.**

***Sweet Signs - For parents, caregivers and children 7 months to 18 months of age:** Sign language can reduce frustration, heighten verbal development and strengthen communication skills. This four-week program will introduce parents, caregivers and their children to American Sign Language **Monday afternoons from 1:30 - 3:30 pm from April 1 to April 22, 2019.**

***Parent Chat: The Importance of Self-Help Skills - For parents, caregivers and children birth to 6 years of age:** This parent chat will focus on discussing the importance of problem solving skills and self-help skills. **Thursday March 21, 2019 from 1:30 - 3:30 pm**
