Child and Family Centre

PROGRAM DESCRIPTIONS

Book Worm (0-6 years): Children learn through play and experience the value of reading with their parents and teachers. The program includes playtime, storytelling with puppets, felt boards, pictures and more.

Family Time (0-6 years): Parents, caregivers and their children will meet others and play interactively in an early learning environment. The program includes arts, sensory, dramatic play, fine motor, gross motor, music, pre-reading and math concepts.

Jungle Gym (0-6 years): Enjoy the indoor playground. Children are able to play, climb, move and meet new friends.
Socks are a must for children and adults.

Music and Movement (0-6 years): Gross motor activities alongside music to promote physical literacy for all ages.

Open Door (0-6 years): Come and explore our centre and the many services and resources available to you. Families are welcome to come in to play and learn with their children when regular programs are not offered.

Positive Parenting (0-6 years) (Pre-Registered Program): A 3-week program for parents and caregivers. Come learn strategies to calm ones self, prevent tantrums and better understand yourself and your child. Families will learn positive parenting, temperament and strategies for positive parenting. Option to attend all or one session. Child minding available

Pre-School Fun with Learning (3-6 years) (Pre-Registered Program): This is a 4-week interactive parent/caregiver and child program. Children will engage in activities similar to a Kindergarten classroom. The activities will foster literacy, mathematics, sensory and socialization skills.

Start School-Start Reading (3-6 years) (Pre-Registered Program): A 7-week program, to help children prepare for school, focusing on social skills, routines and separation, as well as early literacy and numeracy. Parents and caregivers will have the opportunity to have time away from their children to participate in discussions and workshops with the other attending adults.

Sweet Signs (Pre-Registered Program): A 3-week program for parents, caregivers and children 6 to 18 months: Sign language can reduce frustration, heighten verbal development and strengthen communication skills. This program will introduce parents, caregivers and their children to American Sign Language.

Toronto Public Health Visit (Adult): Public health nurse is available to talk one on one to parents about health concerns.
