Child and Family Centre

PROGRAM DESCRIPTIONS

Book Worm (0-6 years): Children learn through play and experience the value of reading with their parents and teachers. The program includes playtime, storytelling with puppets, felt boards, pictures and more.

Creative Time/Songs and Stories (0-6 years): Creative Time will encourage children to explore their creative and imaginary skills. Songs and stories is a component of every program, in which families come together in a large group setting, and move to music, sing songs and read stories.

Family Time (0-6 years): Parents, caregivers and their children will meet others and play interactively in an early learning environment. The program includes arts, sensory, dramatic play, fine motor, gross motor, music, pre-reading and math concepts.

Jungle Gym (0-6 years): Enjoy the indoor playground. Children are able to play, climb, move and meet new friends.
Socks are a must for children and adults.

Little Chef (2-6 years) (Pre-Registered Program): A fun and interactive program where children can learn basic kitchen safety and prepare delicious, child friendly dishes, while exploring new flavours and interacting with other little chefs.

Music and Movement (0-6 years): Gross motor activities alongside music to promote physical literacy for all ages.

Nobody's Perfect Infants(0-12 months) (Pre-Registered Program): An 8-week program offered to parents/caregivers. The program is facilitated in a group setting by Public Health Nurses and/or trained community partners. It is ideal for parents and caregivers with children 0—12months. Child minding available.

Open Door (0-6 years): Come and explore our centre and the many services and resources available to you. Families are welcome to come in to play and learn with their children when regular programs are not offered.

Spring Into Action (0-6 years) (Pre-Registered Program): A free workshop facilitated by a Public Health Nurse that gives parents and caregivers ideas for outdoor play and gross motors activity as well as the benefits that come with this. Child minding available.

Start School-Start Reading (3-6 years) (Pre-Registered Program): A 7-week program, to help children prepare for school, focusing on social skills, routines and separation, as well as early literacy and numeracy. Parents and caregivers will have the opportunity to have time away from their children to participate in discussions and workshops with the other attending adults.

Toilet Training Workshop (0-6 years) (Pre-Registered Program): A free workshop to help parents and caregivers recognize signs of readiness to start toilet training, provide practical tips for starting the process and address concerns that may occur with toilet training. Child minding available.

Toronto Public Health Visit (Adult): Public health nurse will talk one to one to parents about health concerns.
